A close-up photograph of a bride and groom at a wedding reception. The bride, on the left, is wearing a white lace wedding dress and a sparkling necklace, smiling warmly at the groom. The groom, on the right, is wearing a dark blue suit and a white shirt, looking down at the bride with a gentle smile. They are embracing. The background is softly blurred, showing warm, golden lights and hints of other guests, creating a romantic and celebratory atmosphere.

“From the very first phone call I felt a weight lifted off my shoulders... Every meeting since gave me this reassuring feeling that our day would be every bit as special as it could be.

On the day of the wedding..We was mesmerised at the decor..the sheer hassle free organisation of the whole day's events..Both Nikhil and me were peaceful, overjoyed and we cherished every second of our beautiful day.”

Planning a long-distance wedding is not easy but 3Productions made it all look effortless! The planning took place a mere 3 months before the wedding. Despite this short notice, this brilliant team took care of all the details beginning with the invite to the wedding favors. The attention to detail was remarkable! They gave us the most beautiful wedding!

THANK YOU 3Productions!

“Weddings last for a few days, but the memories last forever. It truly was thanks to team 3PW that my wedding is still talked about even after almost seven months. The opportunity to enjoy and be a part of their daughter's wedding as they knew that the responsibility of the details was in safe hands. Thanks for everything!”

After speaking to many planners and all of them nearly gave me palpitations, by a sheer 'stroke' of luck I found a beautiful set of people at 3 Productions. It didn't take us long to sign them up. They understood exactly what we wanted; so much that the first venue they suggested was the one we got married in. The same held for catering, decor, planning - it was almost like they were mind readers. All this PLUS an attention to detail, so fine, even the architects that attended were impressed. Our wedding has come and gone. Not only was it amazing, it has set a standard in my family for every wedding to come. A standard so high, many will try to achieve, but very few just MAY succeed..

We used 3Productions to plan my daughter's wedding in Bangalore. Sowmya is a pleasure to work with and did everything brilliantly. We didn't have to worry about a thing and breezed through the wedding with absolutely everything from transport and logistics to beautiful decor and efficient vendor management taken care of by Sowmya and the team. My daughter decided to book 3P after just one phone call with Sowmya and we couldn't have made a better choice of planner! Absolutely do not hesitate to book 3P for your wedding - can't recommend them enough
